Focus on Dermatology

This CME/CNE educational session will provide attendees with knowledge and skills regarding the diagnosis and treatment of Acanthosis Nigricans and Malignant Melanoma

DATE: Tuesday 27th July 6.15pm for 6.30pm start - 8.00pm

VENUE: Matai Room – Clinical School Education Centre
889 Cameron Road, Tauranga, entry is via Gate 9, opposite Gate Pa School

FACILITATOR: Drs AJ Seine, Susan Simpkin and Sandra Winhoven
Skin Centre, Tauranga

Topics include

Acanthosis Nigricans (Dr Seine)
Malignant Melanoma (Dr Simpkin)
Clinical Pearls (Dr Winhoven)

At the end of this session attendees will:

- have an understanding of the Management of Acanthosis nigricans; what to look for and how to treat
- be familiar with Diagnosis and Management of Malignant Melanoma and identify features that help differentiate between different skin tumours
